Gladys

25X1A9a

has a draft which I

prepared a long time ago revising the

EDIC Operating and Administrative Procedures.

25X1A9a

(EDAC D-48 of 25 May 1953). He and

25X1A9a

decided they would not put out

a revised edition of this although a new

Terms of Reference memo was put out (EDIC/AM-21).
